CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

IRSHAD JALALDEEN - YOUR STRONG VOICE FOR BROADFIELD NORTH

A personal message from Broadfield North's LOCAL champion Irshad Jalaldeen.

I live locally right here in Broadfield. I work as an account assistant for a company based in Crawley. I enjoy meeting people and I am keen to help make Broadfield an even better place to live. If elected as our local councillor, I will put Broadfield first in everything that I do.

The previous Conservative-run council made many improvements in Broadfield, including securing the major regeneration of Broadfield Barton and the roll-out of new and much better equipment for our children's play areas. We also improved all our council housing to the Decent Homes standard.

None of this would have been possible but for our sound financial management of the council. Prior to this, Labour wasted millions of your money

in their inefficient running of the council and couldn't even cut the grass verges properly. Over eight years, we made £8 million of efficiency savings from the council's budget which freed up the resources to make major investment in both Broadfield and Crawley as a whole.

While Crawley would benefit from having a Conservative council once again, Broadfield North would benefit from having a Conservative councillor. Labour has failed to get to grips with the local issues that concern residents.

If elected, I will work hard to crackdown on crime, anti-social behaviour, littering and dog-fouling. If you feel that Labour take your vote for granted, lend me your vote to give Broadfield North a new and alternative voice that will stand up strongly for you.

WHAT WE ARE DOING FOR BROADFIELD NORTH

ACTION, NOT WORDS ON PARKING IN BROADFIELD

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

CRACKING DOWN ON CRIME AND ANTI-SOCIAL BEHAVIOUR IN BROADFIELD

We expanded the number of the Council's community wardens and their operational hours. A new Conservative-run council will be tough on anti-social behaviour and will increase the level of fines for those caught littering

TAKING PRIDE IN BROADFIELD

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING BROADFIELD'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
