### CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

### PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

### WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

# VOTE FOR CHARLES PETTS - YOUR STRONG VOICE FOR BROADFIELD

## A personal message from Broadfield South's LOCAL champion Charles Petts.

I am a father of two, and is active in local community life in Crawley. My working life started in the chemical industry; within a few years I started my own business in IT. This experience of life and caring for people and their wellbeing, has lead me to a very active life helping individuals and the community where ever I can.

Since having moved to Crawley, I have really enjoyed living here and have developed a love for our town and its diversity. I have continued my involvement in helping people, developing further academic skills and being involved with local charities.

Broadfield, having so many different cultures, will by its very nature offer unique and diverse problems not found anywhere else in Crawley, This allows us the opportunity to address and

resolve issues in a unique way for Broadfield.

Having developed a wide range of skills that draw on listening, communication and understanding, addressing often overlooked problems until solutions can be found and implemented. By supporting and representing the individual, community leaders, social groups, and forums, in the local council, opportunities can be created to facilitate a safe, creative & proud Broadfield.

Our Broadfield community has a huge pool of skills that if developed, in conjunction with a socially concerned and active community, has the potential to affect and change the lives of the people living there. I believe that Broadfield can and will be a community that will affect positive change.

## A strong team working hard for Broadfield South

Team Broadfield delivering for our area

Team Crawley, working hard for you all year round

## WHAT WE ARE DOING FOR BROADFIELD SOUTH

### ACTION, NOT WORDS ON PARKING IN BROADFIELD

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

### PROTECTING BROADFIELD'S PARKS AND GREEN SPACES

We have made many improvements to the town's parks and green spaces. We are blessed with lovely green spaces in and around Broadfield, including Broadfield Park, and we will protect them for future generations.

### TAKING PRIDE IN BROADFIELD

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

### IMPROVING BROADFIELD'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
