CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

PHILIP NORVILLE - YOUR STRONG VOICE FOR GOSSOPS GREEN

A personal message from Gossops Green's LOCAL champion Philip Norville.

I have lived in Crawley since 1995 and have seen our town make major improvements. I want to continue to support these improvements and help shape them in a way that matters to you, the residents of Gossops Green.

I have enjoyed spending much time knocking on doors in the neighbourhood and have gained a good understanding of what is important to you; which issues affect you on a daily basis. As part of Crawley Conservatives, who will hopefully retake control of the Council we will be in a position to improve the roads and parking in Gossops Green. We will be able to maintain the environmental improvements, including those made at the mill pond, the public footpaths and cycle tracks. In addition to this I will work in a wider context to

support my colleagues to bring further commercial investment into our town and support the upskilling of the local workforce.

I will be part of a Conservative council that will continue to invest locally and across the town but that balances its budgets and manages your money in a responsible way.

Representing Gossops Green will always be a priority for me, standing up for local residents, making sure your voice is heard clearly. I will continue to work hard with Conservative Gossops Green Councillor Lisa Vitler in ensuring we get the best possible results for the area we care so passionately about. With your support we can make this a reality.

Best Wishes,
Philip Norville

WHAT WE ARE DOING FOR GOSSOPS GREEN

ACTION, NOT WORDS ON PARKING IN GOSSOPS GREEN

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

PROTECTING OUR PARKS AND GREEN SPACES

Many improvements to the town's parks and green spaces have been made under us. We are blessed with lovely green spaces and woodland in Gossops Green and Crawley. We will protect them for future generations.

TAKING PRIDE IN GOSSOPS GREEN

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING GOSSOPS GREEN'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
