CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

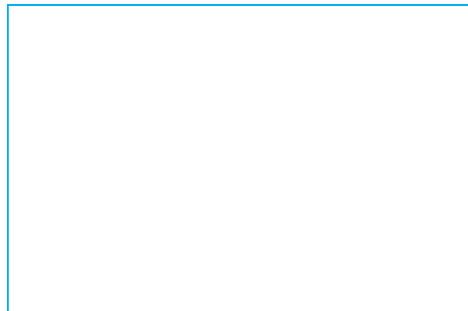

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

VOTE FOR ANDREW JAGGER - YOUR STRONG VOICE FOR IFIELD

A personal message from Ifield's LOCAL champion Andrew Jagger.

■ Ifield needs a local champion and Andrew Jagger is the only local candidate to represent his fellow residents of Ifield. Only a local candidate can truly understand residents' needs, and be a strong voice for Ifield.

Andrew has lived in Ifield West for a number of years and now lives in central Ifield with his wife and two children. Andrew is a member of St Margaret's Church in Ifield and his children attend the local school.

Ifield is a great place to live, work, play and retire. It combines the best of the old and the new. However, there are a number of issues, which need highlighting, problems that need fixing. Speaking to residents and local businesses they frequently mention the issue of grass verges, lack of parking and, drainage.

Andrew Jagger strongly believes that only by returning a Conservative run Crawley Council this May will help make Ifield an even better place and kick start much needed regeneration of Crawley town centre. Andrew would like to remind the residents of Ifield that it was a Conservative administration that led to the investment in Ifield Parade, its improved parking facilities and the restoration of the Mill Pond.

If he is elected, Andrew Jagger will look forward to working with Martin Stone, your current Conservative councillor. Their aim is to work together closely to form a strong and effective local team to represent Ifield on Crawley Borough Council.

WHAT WE ARE DOING FOR IFIELD

ACTION, NOT WORDS ON PARKING IN IFIELD

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

PROTECTING IFIELD'S PARKS AND GREEN SPACES

We have transformed both Ifield mill pond and Dobbins pond. We will ensure these areas continue to be well cared for. Ifield is blessed with lovely green spaces and we will protect them for future generations.

TAKING PRIDE IN IFIELD

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING IFIELD'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
