Dear Neighbour,

My name is Andrew Jagger and I am your truly local candidate for Ifield in the local elections on Thursday 5th May. I have lived in Ifield for over 8 years with my wife and two children.

Many residents will have seen me attending St. Margaret's Church, dropping off my kids to school or popping out to Ifield Parade over the years.

Since deciding to stand as your Conservative candidate for Ifield, I have been out and about knocking on doors right across Ifield to find out what local issues you have and what priorities you have for our area.

So far I have had lots of feedback, the issues many of you have brought up with me focus on parking, grass verges and drainage. I share these concerns. If I am elected as your Borough Councillor for Ifield I will work tirelessly to try and resolve these issues.

In addition, I strongly believe that I could form an effective team with Cllr. Martin Stone, your current Conservative Councillor in Ifield, who was elected last year. Martin is a very active Councillor for Ifield and has already made a huge difference.

I am working hard to ensure the return of a Conservative-run Crawley Borough Council which will kick-start regeneration of the town centre. Please don't forget it was a Conservative administration who redeveloped Ifield Parade and who brought forward the restoration of the Ifield Mill Pond and the improvements to Dobbins Pond.

*As a candidate standing for Ifield, I am fairly young, but I do not see this as a barrier or an impediment to standing, rather I see it as an advantage. I have the determination which is necessary for a Councillor to serve a large neighbourhood such as ours.*

*When you receive your ballot paper, be that through the post or at the polling station on Thursday 5th May, please do lend me your support so that I can help you and stand up for our community of Ifield. I will always put Ifield first.*

*Best Wishes,*

**Andrew Jagger**  
*Conservative Candidate for  
Ifield*

*P.S. If you are able to provide any support to my campaign in the remaining days before polling day please get in touch. We still have leaflets to deliver, canvassing to undertake and we still have slots for telling outside polling stations too.*
