CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

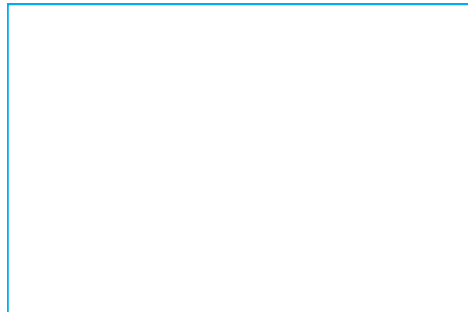

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

VOTE FOR KEVIN HALL - YOUR STRONG VOICE FOR LANGLEY GREEN

A personal message from Langley Green's LOCAL champion Kevin Hall.

Kevin Hall is a local man having lived in Langley Green for many years. Kevin sees a new and exciting future for our town, especially for Langley Green. He is willing to devote time and effort for the benefit of our local community.

Kevin will highlight issues such as congestion, which has worsened as with the growth of Cralwey has come an increase in vehicle ownership. It is more important than ever to ensure the flow of traffic around Langley Green is as seamlessly as possible, especially when emergency services need access quickly.

Kevin feels that it is important that local taxes deliver value for money and that your views are clearly heard when making important decisions. He believes that dog fouling, littering and fly-tipping should

be dealt with in the strongest manner contributing to a cleaner environment for us all.

Kevin would also like to see affordable business rates to see local small and medium size traders flourish. Encouraging expansion for existing businesses and working with new traders is a priority for Kevin ensuring we secure the employment opportunities for future generations is a key issue on Kevin's list.

Kevin's moto is highlight, promote - encourage.

A vote for Kevin on 5th May will be a vote to secure Langley Green's future, a strong local champion, standing up for Langley Green's best interests, always putting our area first.

WHAT WE ARE DOING FOR LANGLEY GREEN

ACTION, NOT WORDS ON PARKING IN LANGLEY GREEN

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

PROTECTING CRAWLEY'S PARKS AND GREEN SPACES

The Conservatives locally have made many improvements to the town's parks and green spaces. Langley Green is blessed with lovely green and open spaces which we will protect for future generations.

TAKING PRIDE IN LANGLEY GREEN

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING LANGLEY GREEN'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
