CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

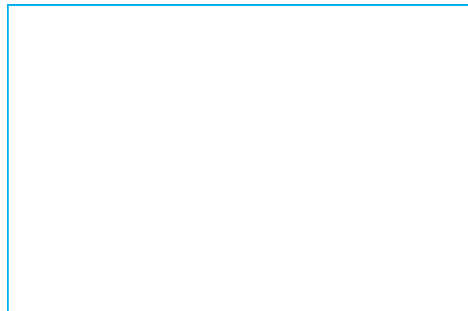

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

DUNCAN PECK - YOUR STRONG VOICE FOR MAIDENBOWER

A personal message from Maidenbower's LOCAL champion Duncan Peck.

I am Duncan Peck. Since May 2012 along with Cllr Ken Trussell and Cllr Kim Jaggard, I have been your Maidenbower Councillor and I would like to be given the opportunity once again to represent you, putting your views first.

A little about me. I am married with two young boys & have been living in Crawley for 11 years. I have over 25 years' experience working within the public sector. Over the last four years, some of the issues that have been raised in Maidenbower have been dog fouling, speeding, flooding, and crimes including burglary; just some of the things that really affects us.

I want to continue to have a close working relationship with you and our Partnership Agencies, to get the best, the very best for Maidenbower

residents. I may not get everything right but will always take your views with passion and determination to make your point heard.

I have been involved with many things but some of the things that I have been involved with is the chicane removal, setting up Speed Watch, to environmental tasks, such as getting residents and myself involved with the clear up to remove Parrot's Feather at the valuable wildlife site at Maidenbower Pond, to dealing with anti-social behaviour problems.

Since 2014 we have had a Labour controlled Council that appears to only want to represent Labour views with the exclusion of all others. Sadly, this feels like a 'closed shop' at the Town Hall. My door is open and will always remain open.

A strong team working hard for Maidenbower

WHAT WE ARE DOING FOR MAIDENBOWER

WORKING TO IMPROVE ROAD SAFETY IN MAIDENBOWER

We were successful in removing the chicanes on Station Hill and Billinton Drive. A crossing that especially benefits school children will be installed on Pallingham Drive and we continue to look at any speeding issues.

PROTECTING MAIDENBOWER'S PLAYING FIELDS AND GREEN SPACES

We enabled many improvements in Maidenbower, including the Pavilion and the children's play areas at the playing fields. We are blessed with lovely green spaces and we will protect them for future generations.

TAKING PRIDE IN MAIDENBOWER

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING MAIDENBOWER'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
