### CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

### PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

### WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

# TINA BELBEN - YOUR STRONG VOICE FOR POUND HILL NORTH

## A personal message from Pound Hill North's LOCAL champion Tina Belben.

Tina has lived in the Crawley area all her life. In 1983 she qualified as a Chartered Accountant and met Andrew her husband shortly afterwards through their mutual interest in politics. They moved to Pound Hill in 1995 as they wanted their children to go to Milton Mount School and to be nearer to Three Bridges station for Andrew.

Tina enjoys being part of the Pound Hill community in lots of different ways, from serving on PTA committees to walking her two dogs. Tina's two children are now grown up but she still regularly helps at Milton Mount School and the United Reform church crèche. Having more time on her hands Tina has also joined Pound Hill's W.I. and Crawley Conservative Women's Organisation. Both provide thought provoking discussions

as well as a good company over tea and cake!

So through all these points of contact with friends and fellow residents of Pound Hill, Tina hopes to be aware of and be able to help with local issues as they arise. Tina still maintains her accountancy skills with a small number of clients so she is looking forward to putting these skills to good use on the budget and finance committee, helping to ensure that residents' council tax money is efficiently spent.

If elected, she is very much looking forward to working alongside the very experienced team of Richard Burrett and Kevan McCarthy. Tina promises to campaign to the best of her ability to ensure that Pound Hill stays a safe place to bring up families and is a pleasant green place.

## A strong team working hard for Pound Hill North

## WHAT WE ARE DOING FOR POUND HILL NORTH

### ACTION, NOT WORDS ON PARKING IN POUND HILL NORTH

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

### PROTECTING POUND HILL'S PARKS AND GREEN SPACES

We restored Worth Park Gardens to their former glory and will ensure the gardens are very well cared for. Pound Hill North is blessed with lovely green spaces and we will protect them for future generations.

### TAKING PRIDE IN POUND HILL

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

### IMPROVING POUND HILL NORTH'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
