CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

BOB LANZER - YOUR STRONG VOICE FOR POUND HILL & WORTH

A personal message from Pound Hill & Worth's LOCAL champion Bob Lanzer.

I moved to Pound Hill South & Worth in 1985, and have represented the ward on Crawley Borough Council from 1988 to 1996, and since 1999. From 2006 to 2013, I was Leader of the Council and I also led the Conservative Group. I have wide Council experience having addressed numerous issues for residents and having served on many committees.

I want the Council to provide the best services that it can, benefiting the most people with a particular emphasis on the cleaner, greener and safer agenda. Value for money is key and we should keep any Crawley Borough Council tax rises below inflation.

Development pressures are a concern in Pound Hill South & Worth. While we have to provide housing, we must protect our environment and

quality of life. I have often represented residents at the Council's Development Control Committee, arguing for sustainable and sympathetic development.

I have also worked to bring forward residential environmental improvement schemes such as those in Spring Plat, Bodiam and Camber Closes. These measures complement traffic calming and parking projects.

My working career has been mainly around information technology, most recently as a project manager for a major credit card company.

Pound Hill South & Worth is a very pleasant area and it is my privilege to represent residents on the Council.

A strong team working hard for Pound Hill & Worth

Team Crawley, working hard for you all year round

WHAT WE ARE DOING FOR POUND HILL & WORTH

ACTION, NOT WORDS ON PARKING IN POUND HILL SOUTH & WORTH

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

PROTECTING POUND HILL SOUTH & WORTH'S PARKS AND GREEN SPACES

Worth Park has been restored to its former glory under us. We are blessed with lovely green spaces in and around Pound Hill South and Worth and we will protect them for future generations.

TAKING PRIDE IN POUND HILL SOUTH & WORTH

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING POUND HILL SOUTH & WORTH'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
