CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

VOTE FOR ALISON BERRIDGE - YOUR STRONG VOICE FOR SOUTHGATE

A personal message from Southgate's LOCAL champion Alison Berridge.

■ Southgate really is the best of both worlds, old and new. It has great green spaces for families, great transport links, and lots of places to work, rest and play with family and friends.

My team and I have met hundreds of local people over the last few months, and they've told us that they love living here. But they've also told us that it could be even better.

Parking is a problem, right across Southgate. Some creative solutions are needed – but they need to be your solutions. You need to be heard and to have a strong local voice, whether it be on parking, stamping out anti-social behaviour, or fighting for better roads or cleaner streets.

That's why you need to vote Conservative on Thursday 5

May. I want to join Councillor Jan Tarrant in being a strong voice for Southgate, and in fighting to make it an even better place to live.

Now for a little about me. I'm 37, and live near Goffs Park with my fiancé and two adopted cats. I work in communications for a not-for-profit pensions company on Manor Royal, and in my spare time I'm a shadow governor at Surrey and Sussex Healthcare NHS Trust.

I'm passionate about helping people – and want to support Southgate, and the rest of Crawley, in becoming the best it can be. I believe in fighting for the best outcomes for local people, not in playing politics.

Vote Conservative on Thursday 5 May for a strong voice for Southgate.

WHAT WE ARE DOING FOR SOUTHGATE

ACTION, NOT WORDS ON PARKING IN SOUTHGATE

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

PROTECTING SOUTHGATE'S PARKS AND GREEN SPACES

Many improvements to the town's parks and gardens have been made under us. Southgate is blessed with Goffs Park and lovely green spaces in and around the neighbourhood. We will protect them for future generations.

TAKING PRIDE IN SOUTHGATE

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING SOUTHGATE'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
