CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

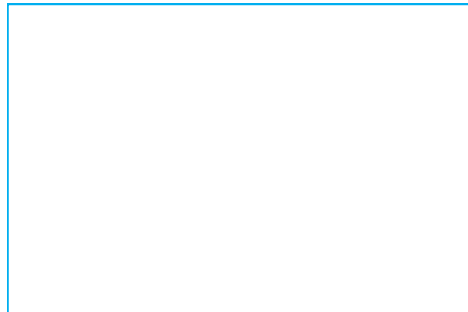

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

BRENDA BURGESS - YOUR STRONG VOICE FOR THREE BRIDGES

A personal message from Three Bridges' LOCAL champion Brenda Burgess.

Brenda moved to Crawley in 1969 with her husband Bob. Brenda and Bob have two grown up children. She has been an active member of her local church, she is a Parish Warden for the Parish of St John's. Brenda is an active member of the Ifield Barn Theatre which has supported the development of her public speaking. She has also been an active member of Crawley Community Arts and ran a Children's Drama Group in Broadfield for several years.

Brenda encouraged the formation of our local forum, thus giving a voice to the residents of Three Bridges. This has proved to be a model for other forums. She attends as many outside engagements as she can and always try to attend seminars and events important to her role. she

listens, believes passionately in giving a voice to the people, would like to see more done to help the homeless and hate injustice. Brenda is not afraid to speak up when she feels the people of Crawley have not been heard.

Brenda is honoured to serve the people of Three Bridges. It is a unique neighbourhood containing the original village of Three Bridges, the original New Town of the 19th century when the railways came to the area and of course the present New Town along with the more modern developments of Tinsley Lane and Pembroke Park - each with their own unique characteristics.

Brenda prides herself on being part of such a community and is willing to help in any way she can.

A strong team working hard for Three Bridges

Team Crawley, working hard for you all year round

WHAT WE ARE DOING FOR THREE BRIDGES

ACTION, NOT WORDS ON PARKING IN THREE BRIDGES

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

PROTECTING THREE BRIDGES' GREEN SPACES

Improvements to play areas have been made. We will endeavour to maintain the special nature that Three Bridges residents value. We are blessed with lovely green spaces and we will protect them for the future.

TAKING PRIDE IN THREE BRIDGES

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING THREE BRIDGES' ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
