CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

VOTE FOR CLAIRE GRIFFITHS - YOUR STRONG VOICE FOR TILGATE

A personal message from Tilgate's LOCAL champion Claire Griffiths.

I live in Tilgate with my family and I was also lucky enough to have been brought up here. I consider myself to have good knowledge of our town and importantly, a good understanding of the local issues affecting our area.

As a child, I lived only a short walk away from Gainsborough Road Playing Fields and Tilgate Park. I have very fond memories of growing up here alongside my two sisters. Now with a family of my own, these are places that I like to watch my own children enjoy.

If elected as your local councillor, a priority for me will be to preserve the beautiful areas and green spaces that we have here in Tilgate and that I hold close to my heart. I also want to help tackle issues such as neighbourhood parking, which so many residents have

brought to my attention already. Littering continues to be a problem and I want the Council to be more proactive in challenging this behaviour, as well as clearing it up.

I want to improve communication between Crawley Borough Council and Tilgate residents, making sure that everyone can be kept aware of issues that may affect them and the local area, helping to avoid situations such as those that arose around the recent tree felling at Tilgate Golf Course.

Working as a team with the existing Tilgate councillors, Cllr Francis Guidera and County Councillor Duncan Crow, I will look at all options for effective resident engagement, including councillor newsletters and councillor surgeries.

WHAT WE ARE DOING FOR TILGATE

ACTION, NOT WORDS ON PARKING IN TILGATE

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

PROTECTING TILGATE PARK AND OUR GREEN SPACES

Many improvements to Tilgate Park have been made under us, but we will ensure the park keeps its special nature that Tilgate residents value. Tilgate is blessed with lovely green spaces and we will protect them.

TAKING PRIDE IN TILGATE

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

IMPROVING TILGATE'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
