*Dear Neighbour,*

*My name is Claire Griffiths and I am your truly local candidate for Tilgate in the local elections on Thursday 5th May. I have lived in Tilgate for most of my life with my husband Will and my three boys .*

*Many residents will have seen me dropping off my kids to school or popping out to Tilgate Parade or in Tilgate Park over the years.*

*Since deciding to stand as your Conservative candidate for Tilgate, I have been out and about knocking on doors right across Tilgate to find out what local issues you have and what priorities you have for our area.*

*So far I have had lots of feedback, the issues many of you have brought up with me focus on parking, grass verges and the maintenance of Tilgate Park. I share these concerns. If I am elected as your Borough Councillor for Tilgate I will work tirelessly to try and resolve these issues.*

*In addition, I strongly believe that I could form an effective team with Councillors Francis Guidera and Duncan Crow , your current Conservative Councillors in Tilgate, Francis & Duncan are a very active Team for Tilgate and have made a huge difference in our area.*

*I am working hard to ensure a Conservative Administration is once again in charge of Crawley Borough Council and can kick-start regeneration of our town centre. Please don't forget it was a Conservative administration who regenerated Tilgate Parade.*

*As a candidate standing for Tilgate, I am fairly young, but I do not see this as a barrier or an impediment to standing, rather I see it as an advantage. I have the determination which is necessary for a Councillor to serve a neighbourhood such as ours.*

*When you receive your ballot paper, be that through the post or at the polling station on Thursday 5th May, please do lend me your support so that I can help you and stand up for our community of Tilgate. I will always put Tilgate first.*

*Best Wishes,*

*Claire G*

*Conservative Candidate for Tilgate*

*P.S. If you are able to provide any support to my campaign in the remaining days before polling day please get in touch. We still have leaflets to deliver, canvassing to undertake and we still have slots for telling outside polling stations too.*
