### CREATING A STRONG LOCAL ECONOMY FOR CRAWLEY

Working in partnership with Manor Royal, Gatwick Airport and local businesses, only the Conservatives can be trusted to ensure that our local economy can continue to deliver for Crawley.

Our successful local economy will underpin and support Council services for years to come. Sound financial management of Crawley Borough Council will return under the Conservatives, enabling us to both protect and enhance the services that matter to you.

### PROVIDING REAL ASPIRATION FOR CRAWLEY

Crawley has always had great potential and we have real aspiration for our town. We have a track record of delivery and can promise more.

We regenerated many of our neighbourhood parades and made many major improvements in Crawley, including Tilgate Park, Ifield Mill Pond and children's play areas. In partnership with West Sussex County Council, we had the vision to secure £3.2 million for regenerating Crawley Queens Square which starts in June.

### WORKING FOR A CLEANER AND GREENER CRAWLEY

We want our town and neighbourhoods to look cared for. Whether it is litter, grass verge cutting or maintaining trees and shrub beds, we will always look for ways to improve these vital front-line services. We will crack down on littering and increase the fines for those caught.

We are very proud of our parks and green spaces and have a track record of improvement. We will continue to protect Crawley's green spaces and enhance them wherever possible.

# IAN ANGUIGE - YOUR STRONG VOICE FOR WEST GREEN

## A personal message from West Green's LOCAL champion Ian Anguige.

I have lived in Crawley with my wife since 1988. I have been involved in Crawley Hockey Club and have held a number of positions over the years, including that of Chairman and Treasurer. I was also Chairman of Charlwood Infant School Governing body in the 1990's. Before my direct involvement in politics I prepared accounts and financial statements for Crawley Borough Council. I currently work from home as a self-employed accountant and so am fully flexible and able to make myself available for residents and events in West Green and the wider town.

I have a deep interest in politics and the opportunity to become involved at a local level was one I could not resist, I also like to read about local history and West Green incorporates some of the original old town of

Crawley. I would like to ensure that this history is maintained and the character of the old town preserved.

Through talking with residents, I have been able to understand what matters to you, and doing this has enabled me to identify the major issues. If elected I will ensure that these are fully investigated and dealt with.

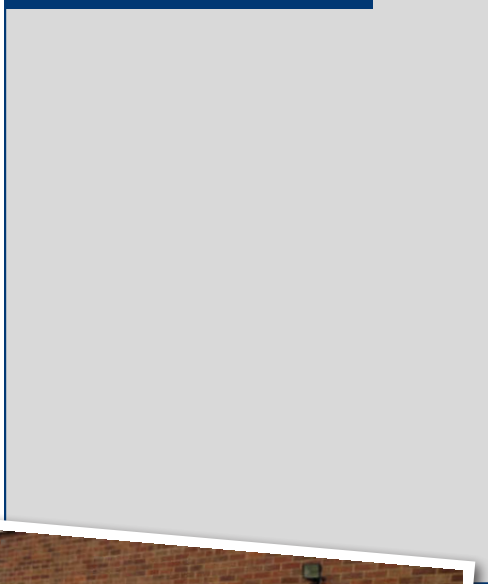

Local residents are appreciative that I am knocking on doors and talking to them, and I intend to continue to do this. I therefore ask for your support on 5th May to ensure that we deliver for West Green, with your support, we can make this ambition a reality.

Best Wishes,  
Ian Anguige

## WHAT WE ARE DOING FOR WEST GREEN

### ACTION, NOT WORDS ON PARKING IN WEST GREEN

We will kick-start the creation of new parking spaces in surplus grass verges where viable, and seek to ensure that new housing has adequate parking, so as not to compound existing parking difficulties.

### PROTECTING CRAWLEY'S PARKS AND GREEN SPACES

We've made many improvements to the town's parks and gardens, including the updating of our children's play areas. We are blessed with lovely green spaces in and around West Green and we will protect them.

### TAKING PRIDE IN WEST GREEN

The appearance of our neighbourhood matters to us. Litter, street cleaning and damaged grass verges continue to be an issue. Pushing for improvements in these areas is a priority for us.

### IMPROVING WEST GREEN'S ROADS AND PAVEMENTS

Recent years have seen many local roads resurfaced with the additional £30 million investment put in by the County Council across West Sussex. We will continue to press for highway improvements.
