Dear Resident,

My name is Ian Anguige and I am your Conservative candidate in the local council elections on Thursday 5th May. I am married and have lived in Crawley for over 27 years. I am asking for your support in these elections.

I have met a number of you whilst knocking on doors across West Green, finding out what issues you have locally and your priorities for improving West Green and Crawley. It is important that you vote Conservative on 5th May, as I want to represent you on Crawley Borough Council, to help make West Green an even better place to live.

West Green is the oldest neighbourhood in Crawley and has a number of historical buildings and conservation areas. It is important that these are maintained.

Local people have told me that the major issues in the area are inconsiderate parking, the state of grass verges, the lack of a doctor's surgery and anti social behaviour in certain areas. If elected I would work to try and resolve these issues straight away, along with other smaller concerns which have been brought to my attention by residents.

I am working hard to ensure that the Conservatives are once again in control of Crawley Borough Council and can begin the work of making improvements in West Green and the whole town, making Crawley a better place to live.

As an accountant, I understand that residents want value for money for their council tax, a Conservative administration for the town would ensure that this money is spent wisely and would be fully accountable, with the aim of improving and maintaining all areas of Crawley.

This election in West Green will be very close between Conservative and Labour and every vote will count, so please do vote for me, Ian Anguige, on Thursday 5th May.

Best Wishes

1. Anguige

Conservative Candidate for West Green

P.S. If you are able to provide any support to my campaign in the remaining days before polling day please get in touch. We still have leaflets to deliver, canvassing to undertake and we still have slots for telling outside polling stations too.
